Forms will be at the Ref Tents. Please only take the number of order forms that you need for your team. Each player will need a form. Parents can complete an online order form by going to <https://preorder.groupphotographers.com/?wo=700929> . This form will only be active until 11 p.m. on the evening before each photo shoot. They will need to print the confirmation form from their order and have their child bring the form to the photo day.

Please make sure to arrive at least 15 minutes before your scheduled time. As soon as ALL of your team is there you can get in line to have your photo taken.

- Each player needs a photo order form in their hand. Please make sure parents have a chance to review the form.
- Socks should be pulled up and shirts tucked in.
- Bring a soccer ball for the photos

THERE IS NO MAKE-UP DAY. You will need to attend your scheduled time. If you have questions, please email lori.pedersen@cox.net .
